Bad news, bad news!
I heard youre packing to leave!
I come arunning right over;
I just couldnt believe it,
I just couldnt believe it.
Oh, baby, baby
You must be out of your mind.
Do you know what youre kicking away?
Weve got a groovy thing goin, baby,
Weve got a groovy thing.

I never done you no wrong,
I never hit you when youre down,
I always gave you good loving,
I never ran around,
I never ran around.

Oh, baby, baby
You must be out of your mind.
Do you know what youre kicking away?
Weve got a groovy thing goin, baby,
Weve got a groovy thing.

Theres something you ought to know
If youre fixing to go,
I cant make it without you;
No no no no, no, no, no, no,
No no no no, no, no, no.

Oh, baby, baby
You must be out of your mind.
Do you know what youre kicking away?
Weve got a groovy thing goin, baby,
Weve got a groovy thing.

Weve got a groovy thing goin, baby,
Weve got a groovy thing.
