A little sexual frustration
Combined with lack of motivation
And a loss of concentration
I've got a strange disease

I can't concentrate on work
My libido's gone berserk
Now I'm sweating through my shirt
I've got a strange disease

Two weeks ago
You said you'd never leave me
And here I am alone
And in this world
Of reckless happenstance
Why do good things have to go away
And leave you with nothing
Yea you left me with nothing
(Ah Ah Ah Ah Ah)
And a strange disease
(Wee ooo.. Wee ooo.. Wee ooo..)

Hyper emotional sensations
Sent via television stations
Unaffected by locations
I've got a strange disease

I can't seem to get to sleep
I don't want nothing to eat
Walking up and down your street
I've got a strange disease

[Minnie Mae]
Why did you have to put
So much pressure on me?
You pushed my heart away

[Simon]
I didn't mean to scare you little one
Is there nothing I can say?
Don't leave me with nothing
Yea you left me with nothing

(Ah Ah Ah Ah Ah)
And a strange disease
(Wee ooo.. Wee ooo.. Wee ooo.. 2x)

Now i'm standing in the rain
Water soaking through my brain
Every droplet speaks your name
And it's driving me insane

I don't wanna go to work
My libido's gone bezerk
I don't want nothing to eat
Walking up and down your street

But only two weeks ago
You said you'd never leave me
And here i am alone
And in this world
Of reckless happenstance
Why do good things have to go away
And leave you with nothing
Yea you left me with nothing
(Ah Ah Ah Ah Ah)
And a strange disease
(Wee ooo.. Wee ooo.. Wee ooo..) ... fade out
