[Preacherman] Well I jump in my ride around 9 or 10
Going to the house to pick up my cousin We going to
the club I was going there to meet my girl Oh now, what
to my surprise Seen my girl hooked up with another guy
He was rubbing on her thighs I guess he was trying to
take what's mine I was thinking, should I bust him up
Then put his body in the trunk, and dump, but The God
said chill And I said, homey I will, but still [Chorus 2X:
Preacherman] Tonight is gonna be me or him This time
I plan to win Cuz I work hard, for the money I don't
bring nobody like you, honey [Preacherman] She tried
to play you, playa She couldn't play you, play you, God
And nothing that can save her Now back to the
storyline... I just take it one more time Well I stepped to
her with the definite style She was trying to figure me
out, but She was afraid, but I was in love, yo I could tell
by the look in her eyes I caught her by surprise There
were no more lies And she's running out of time So I
looked at her and said Baby, girl, what you gonna do?
I'm bout to be through with you [Chorus 2X] [Buddha
Monk] (Juice) What you need to say.. checkmate, game,
oh no Yo, bad, she flipped it wrong, the Preach doctor
pimp game strong (Tight like vice grips, word, remove
her thong She spread like eagle, when the bed,
whipped cream on) She said 'lord oh lord', I thought
she was reading the psalm But she's another Eve, bad
apple, eating it raw (Aiyo, Buddha, you try'nna tell me,
she freak when he gone) Eat meat when he's gone,
and a shake booty freak when he's gone Backyards
and cars, getting it on (And what you think, that people
will do when they find out she getting it on) Make
homey leak and beat her from dusk til dawn (Well,
birds of a feather, nigga, flock together) Not when the
peeps involved, it's clap whenever (stay in the leather)
[Chorus 3X]
