You turn around away, so bitchin'
your window in a downtown shop at the mall
it's funny how I never know her real name
she wasn't very old, wasn't very tall,
wasn't very braun of a blonde-eyed,
she had blackhair, she never could seen
Trevor Pitt in anywhere...

Trouble at home, there were always
trouble at home and I guess I always knew

when suddently my mind raises respect to
dussins sundays summer mornings,
I saw her there, all alone outside me and
house, I never had the time so I can know
what's on my mind, I don't know what it was
maybe spirits...
maybe I just didn't won't to feel her pain

all I can remember jesus said on toad leest of these
do want tell me

all I can remember jesus said on toad leest of these
hoo the leest of these

all I can remember jesus said on toad leest of these
do want tell me

all she really wanted was just one friend
in a long long list of quintensess,
people she knew and the judge just
come down in a be of me and you

trouble at home, there was always
trouble at home and I guess I always
know aooahll i can be

and all I can remember you want tell me

all I can remember jesus said on toad leest of these
do want tell me

all I can remember jesus said on toad leest of these
hooa the leest of these
