Is there something wrong tonight
Or am I being paranoid?
I guess I might have had
A little too much to drink

I wonder who she's talking to
'Cos I'm about to act the fool
I smell something cooking
And I don't know what to think

What's going on? I don't know whose right or wrong
Yeah, tell me babe, it looks like you've been crying
What did he say before he walked away?
Maybe I was outta line thinking you
Were flirting with another guy

I realize that we all can make mistakes
And I'll do whatever it takes, babe
You know I'd do anything for you

I don't know if I could stand the pain
If you'd taken your love away, babe
If you asked me now I guess I feel
Ashamed, ashamed, ashamed, ashamed

I didn't mean to cause a fight
Cross my heart and hope to die
I guess I'm terrified
Of the thought of losing you

You say he's just a friend
But I don't think it's true
Once upon a time
It would never have crossed my mind

What's going on? I don't know whose right or wrong
Yeah, tell me babe, hope you're not lying
What did he say before he walked away?
Maybe I was outta line thinking you
Were flirting with another guy

I realize that we all can make mistakes

And I'll do whatever it takes, babe
You know I'd do anything for you

I don't know if I could stand the pain
If you'd taken your love away, babe
If you asked me now I guess I feel
Ashamed, ashamed, ashamed, ashamed
Ashamed, ashamed, ashamed

I realize that we all can make mistakes
And I'll do whatever it takes, babe
You know I'd do anything for you

I don't know if I could stand the pain
If you'd taken your love away, babe
If you asked me now I guess I feel
Ashamed

I realize that we all can make mistakes
And I'll do whatever it takes, babe
You know I'd do anything for you

I don't know if I could stand the pain
If you'd taken your love away, babe
If you asked me now I guess I feel
Ashamed
