Sometimes life can be a burden  
Tryna stay one step ahead  
I feel the world upon my shoulder each time  
I'm standing out on the edge

And my hopes have all deserted me  
Like they washed away in the sand  
And it's hurting my pride, tryna survive  
But I know I stand a chance

When you lay your hands  
Oh yeah  
'Cause it's the only thing I have that still makes sense

(Oh baby, when I'm calling out)  
Give me love and affection  
Keep telling me, show me the way

(Oh, if you see me falling down)  
Lift me up from the shadows  
Will you take me away to a better place?

(And when I'm in my darkest hour)  
You're by my side to turn the tide  
Until the suffering fades

When life is getting me down  
Getting me down, I'm close to defeat  
Come and lay your hands on me

Feel this road is getting longer now  
And I'm too far away from home  
Still I gotta keep on moving on  
But I can't do it on my own

Baby, keep my head above water  
Help me swim for my life  
'Cause the game is getting harder  
The strain is gettin' stronger  
And I can only face the fight

When you lay your hands

Oh yeah  
'Cause it's the only thing I have that still makes sense

(Oh baby, when I'm calling out)  
Give me love and affection  
Keep telling me, show me the way

(Oh, if you see me falling down)  
Lift me up from the shadows  
Will you take me away to a better place?

(And when I'm in my darkest hour)  
You're by my side to turn the tide  
Until the suffering fades

When life is getting me down  
Getting me down, I'm close to defeat  
Come and lay your hands on me

'Til I'm healed again  
Rediscovered my strengths  
Those bitter blues are gone  
Oh, gone

(Oh baby, when I'm calling out)  
Give me love and affection  
Keep telling me, show me the way

(Oh, if you see me falling down)  
Lift me up from the shadows  
Will you take me away to a better place?

(And when I'm in my darkest hour)  
You're by my side to turn the tide  
Until the suffering fades

When life is getting me down  
Getting me down, I'm close to defeat  
Come and lay your hands on me

Come, lay your hands on me, on me, yeah yeah  
Lay your hands, lay your hands  
Come, lay your hands on me  
Lay your hands, lay your hands
