I wanna dance, wanna dance to my favorite song
Gon' clap my hands, clap my hands, baby all night long
It's gettin' down tonight until the morning light
We gonna set the club on fire

I wanna hear you say ey yo,
Baby we gon' tear down the club tonight, yeah
Now everybody say ey yo,
Let's go out and tear down the club tonight, yeah
We gonna tear down the club
We gonna tear down the club

I wanna hear you say ey yo,
We gonna tear down the club
Now everybody say ey yo,
Tear down the club

I need a drink, need a drink, f*ck the paper cup
I wanna ching, ching, raise your glasses up
DJ let's move this crowd until the sun comes up
We gonna set the club on fire

We're gettin' ready, fire burnin' on the dance-floor
We're gonna wreck it like it's nothing that we care for
Gonna bring the roof down baby, it's time for gettin'
crazy
And all night, and all day

I wanna hear you say ey yo,
Baby we gon' tear down the club tonight, yeah
Now everybody say ey yo,
Let's go out and tear down the club tonight

I wanna hear you say ey yo,
Baby we gon' tear down the club tonight, yeah
Now everybody say ey yo,
Let's go out and tear down the club tonight, yeah
We gonna tear down the club
We gonna tear down the club

I wanna hear you say ey yo,

Baby we gon' tear down the club tonight, yeah
Now everybody say ey yo,
Let's go out and tear down the club tonight,
Let's tear down the club
