Save me, I think they're crazy,
no, I can't be all alone.
Can you hear, can you see me?
I'm trying to find home.

(Oh, oh, oh, oh, oh, oh) (x4)
Energy pumping through my body.
Can you feel the electricity from me?
Flashing lights everywhere,
no time to look, stop or stare.
Just release and let it be.
Get crazy!
(Oh, oh, oh, oh, oh, oh)
Everybody!
We're breaking free tonight, we're breaking free
tonight.

La vida es como una estrella,
puede brillar a cada instante.
La vida es como una estrella,
puede brillar a cada instante.
You shine just like the stars,
we're gonna light up the world tonight.
You shine just like the stars,
we're gonna light up the world tonight.
We're gonna light up the world tonight!
(Oh, oh, oh, oh, oh, oh) (x2)
We're gonna light up the world tonight!
(Oh, oh, oh, oh, oh, oh) (x2)
We're gonna light up the world tonight!

Every moment in my life,
every day that passes by,
I just try to be myself.
This is who I need to be,
let the music set you free,
If you're in need of air.
Get crazy!
(Oh, oh, oh, oh, oh, oh)
Everybody!
(Oh, oh, oh, oh, oh, oh)

We're breaking free tonight, we're breaking free tonight.

La vida es como una estrella,
puede brillar a cada instante.
La vida es como una estrella,
puede brillar a cada instante.
You shine just like the stars,
we're gonna light up the world tonight.
You shine just like the stars,
we're gonna light up the world tonight.
We're gonna light up the world tonight!
(Na, na, na, na, na, na)
We're gonna light up the world tonight!
(Na, na, na, na, na, na)
We're gonna light up the world tonight!

We're gonna light up the world tonight!

La vida es como una estrella,
puede brillar a cada instante.
La vida es como una estrella,
puede brillar a cada instante.
You shine just like the stars,
we're gonna light up the world tonight.
You shine just like the stars,
we're gonna light up the world tonight.
We're gonna light up the world tonight!
(Na, na, na, na, na, na)
We're gonna light up the world tonight!
(Na, na, na, na, na, na)
We're gonna light up the world tonight!
