Oh, oh, oh
Oh, oh, oh
Oh, oh
Oh, oh, oh

Heart, please don't hide away
Like animals that sleep all through the day
It's harder when you know the way
That pain is never far away

But heart, oh, don't get bitter
Oh heart, please don't get bitter
Oh heart, oh, don't be bitter
'Cos you're not with her, anymore

Oh, oh, oh
Oh, oh, oh

Heart, oh, what is it you're made?
It's blood, and blood can be remade
I'll cut you and looked into your veins
And blood, the blood is just the same as the man

So heart, oh, don't be bitter
Oh heart, oh, don't get bitter
Oh heart, please, don't get bitter
'Cos you're not with her, anymore

Anymore, anymore
Don't be bitter, anymore
Don't be bitter, anymore

Heart, don't be bitter, anymore
Heart, don't be bitter, anymore
Heart, don't be bitter, anymore
Heart, don't be bitter
