### "King Of The Air"

Visit "[King Of The Air](#)" on MotoLyrics.com

He was the host of radio KCW it wasn't independent but he did what he could do then he got a letter from the president that said he had to leave the show 'cause he could not call him a idiot not on the radio but he was a local hero so it wasn't fair and everybody knew he was the king of the air Medial exposure there were flyers all around still the legendary radio guy was not making a sound some say he was abducted by the government or taken in to custody and there were corps all over his property invading privacy but he was a local hero so it wasn't fair and everybody knew he was the king of the air Letter of resignation posted on the day that he was on his way to leave it all behind might seem insane but that's okay the destination was an eden kinda place he may not have a lot so what...
