Portrait

STOODS -

CHORUS

IÃf'Ã,'ll paint a portrait of a one night stand

IÃf'Ã,'ll paint a portrait of a one night stand

But I just canÃf'Ã,'t remember the face

v.1

I disregarded the sun

For 27 Days, I tried to paint your face

It was a big mistake

In a ball of fire

Your face was erased

To my disgrace

Yours was not the only face

The face, beautiful faces

All those embraces

CHORUS

BRIDGE

Chances are, is that IÃf'Ã,'m going insane

So many pieces racing around in my brain

This portraits looking like a patchwork doll

With a million faces of the one I've shared

LEAD

REPEAT Verse 1

CHORUS
