#### Verse 1:

I've fallen down,  
I've scraped my knees.  
I thought you were the one for me.  
All those lies,  
Were to deceive,  
Me & all I thought we'd be.

#### Chorus 1:

You may find this hard,  
To believe,  
I've found someone new that's better for me.  
For me, oh...

#### Verse 2:

You see this smile, upon my face?  
This is the feeling you never gave,  
Me when we, traded hearts.  
Now, I'm happier that we're apart.

#### Chorus 2:

It's time for you to leave me be,  
'Cause I have someone new that's better for me.  
For me, oh...

#### Outro:

Uhm, Why did I date you? Hahah, troll.
