Verse 1:

Just take a deep breath in,
Let yourself go for a minute.
Let the beat flow to your heart until you're in it.
Let the music take you over,
Don't waste your time,
Before you know it we'll be older,
Oh, oh, older, oh, oh, older.

Chorus:

So we'll dance our lives away,
Speak the words we'd never dare to say.
We'll break our chains away,
We won't fear anything,
'Cause we're here to stay.

Verse 2:

Gotta let your hair down,
The parties' just beginning.
Gonna dance until the room feels like it's spinning.
We'll let the music take us over,
Won't waste our lives,
Before we know it they'll be over,
Oh, oh, over, oh, oh, over.

Chorus:

So we'll dance our lives away,
Speak the words we'd never dare to say.
We'll break our chains away,
We won't fear anything,
'Cause we're here to stay.

Bridge:

We're one step closer to the edge, to the end.
We can't avoid it be we'll contend to pretend.
To pretend, to pretend, to pretend.

Chorus:

So we'll dance our lives away,
Speak the words we'd never dare to say.
We'll break our chains away,

We won't fear anything,
'Cause we're here to stay.
