Do you kiss your mom with that mouth?
If she could only see you now
If she could only hear you now
Would she run to wash her cheek
To wash the years of filth from her cheek?

Or would there be just too much to clean?

The perversion spewing from your mouth has gone too
far
Has gone far, has gone far

So shut it up, she's worth much more
And this time you, you're gone too far

I'm not sure, I could hold back anymore
So if I hear your talk much more
I might just nail your tongue to the bathroom floor
Where that feces belong
