One morning I woke up and I knew  
You were really gone  
A new day, a new way, and new  
eyes to see the dawn  
Go your way, I'll go mine and  
Carry on

The sky is clearing and the night  
Has gone out  
The sun, he come, the world  
is all full of light  
Rejoice, rejoice, we have no choice but  
To carry on

The fortunes of fables are able  
To sing the song  
Now witness the quickness with which  
We get along  
To sing the blues you've got to live the tunes and  
Carry on

Carry on  
Love is coming  
Love is coming to us all

Where are you going now my love?  
Where will you be tomorrow?  
Will you bring me happiness?  
Will you bring me sorrow?  
Oh, the questions of a thousand dreams  
What you do and what you see  
Lover can you talk to me?

Girl when I was on my own  
Chasing you down  
What was it made you run?  
Trying your best just to get around.  
The questions of a thousand dreams  
What you do and what you see  
Lover can you talk to me?
