Neil Young

Hello cowgirl in the sand

Is this place at your command

Can I stay here for a while

Can I see your sweet sweet smile

Old enough now to change your name

When so many love you is it the same

It's the woman in you

That makes you want to play this game

Hello ruby in the dust

Has your band begun to rust

After all the sin we've had

I was hopin' that we turn back

Hello woman of my dreams

This is not the way it seems

Purple words on a grey background

To be a woman and to be turned down
