I Was With You, You Were Alone, Now I'm Standing
Here.

Wisdom Came Only After You'd Gone.
So I'm Starting All Over With A Tear In My Eye
I Just Never Thought That You'd Disappear.

In The Night Your Image Arises, Close Behind Comes
The Pain.

I Hope I'm Dreaming 'Cos It Hurts So Bad.
When I Reach Out For You, I'm Alone In Some Room.
I Just Never Thought That You'd Disappear.

I Still Love You Like A Child, Wasn't I Good Enough?
I Still Want You, Drives Me Wild, Haven't We Had It
Rough,
Haven't We Lost Enough?

Time Heals All So They Say, I Don't Know.
Sometimes Nothing Is Clear.
Maybe Someday I'll Understand.
But I Know For A Start There's A Place In My Heart
That Is Yours And It Won't Disappear.

I Still Love You Like A Child, Wasn't I Good Enough?
I Still Want You, Drives Me Wild, Haven't We Had It
Rough,
I Still Love You Like A Child, Wasn't I Good Enough?
I Still Want You, Drives Me Wild, Haven't We Had It
Rough,
Haven't We Lost Enough?
