The Hollies

I Thought Of You Last Night

(Ralph Freed)

Track 8 on album 'In The Hollies Style' november 1964

I thought of you last night.  
I thought of you and, thought of you,  
until the morning light.  
I couldn't sleep, I couldn't sleep last night.

I wanted you last night.  
I wanted you, and wanted you  
and wished with all my might.  
You'd come to me, you'd come to me last night.

Darling, my darling, I can't live without you.  
I'm lonely, so lonely when you're out of sight.

I'll wait for you tonight.  
I'll wait for you, and wait for you  
and long to hold you tight.  
Bring your lips to me, your love to me, tonight.

{Tony Hicks plays guitar interlude on a 12-string}

Darling, my darling, I can't live without you.  
I'm lonely, so lonely when you're out of sight.

I'll wait for you tonight.  
I'll wait for you, and wait for you,  
and long to hold you tight.  
Bring your love to me, your love to me tonight.  
Bring your love to me, your love to me tonight.
