Just a song before I go, to whom it may concern.
Travelling twice the speed of sound, it's easy to get
burned.
When the shows were over, we had to get back home,
and when we opened up the door I had to be alone.
She helped me with my suitcase, she stands before my
eyes,
driving me to the airport and to the friendly skies.
Going through security I held her for so long.
She finally looked at me in love, and she was gone.
Just a song before I go, a lesson to be learned.
Travelling twice the speed of sound, it's easy to get
burned.
