It's been a long time comin'
It's goin' to be a long time gone.
And it appears to be a long,
Appears to be a long,
Appears to be a long time,
Yes, a long, long, long, long time,
Before the dawn.

Turn, turn any corner.
Hear, you must hear what the people say,
You know there's something that's goin' on around
here,
That surely, surely, surely won't stand the light of day.
And it appears to be a long, (yes it does)
Appears to be a long,
Appears to be a long time,
Such a long, long, time,
Before the dawn.

Speak out, you got to speak out against the madness
You got to speak your mind,
If you dare.
But don't, no don't no try to get yourself elected.
If you do you had better cut your hair.
And it appears to be a long, (yes it does)
Appears to be a long
Appears to be a long time,
Such a long, long, long, long time,
Before the dawn.

It's been a long time comin',
It's going to be a long time gone.
But you know, the darkest hour,
Is always, always just before the dawn.
And it appears to be a long,
Appears to be a long,
Appears to be a long time,
Such a long, long, long, long time before the dawn
