Written by Stephen Stills, Joe Vitale & Bob Glaub  
I can't stop thinking 'bout her  
'Cos she's mighty fine and I would be lying  
If I didn't speak up now,  
Say what's on my mind, almost any old time.  
I'm ready to choose that girl  
I couldn't refuse that girl  
You'd better not lose that girl  
I just might let myself fall in love  
That girl is all the woman I'm dreaming of.  
So many years you've been a true friend of mine,  
But I draw the line and I ain't gonna run no number  
But you gotta know if you let her go  
I'm ready to choose that girl  
I couldn't refuse that girl  
You'd better not lose that girl  
I just might let myself fall in love  
That girl is all the woman I'm dreaming of.  
Can't you see, we gotta get to know  
How far this can go  
You and me we gotta get it right  
'Cos this ain't love at first sight  
I want you to understand that I can't help myself.  
And I'm gonna be right there with you  
Only time will tell if it was only me that fell.  
I'm ready to choose that girl  
I couldn't refuse that girl  
You'd better not lose that girl  
I just might let myself fall in love  
That girl is all the woman I'm dreaming of.  
(Choose that girl, refuse that girl, lose that girl.)
