I've told you that I'm Lightning's girl

But you keep hanging 'round

If Lightning ever catches you

He's got to put you down

(spoken) About six feet!

Stay away from Lightning's girl

And this part of town

Stay away from Lightning's girl

Or he'll put you down...yeah

Better stop your grooving 'round

Another rooster's hen

If Lightning ever catches you

He's got to do you in

(spoken) In about two minutes!

Stay away from Lightning's girl

And this part of town

Stay away from Lightning's girl

Or he'll put you down

Here comes Lightning down the street

While you just stand there talking

If I were you I'd start to move

And tell my story walking

(spoken) About a hundred miles an hour!

Stay away from Lightning's girl

And this part of town

Stay away from Lightning's girl

Or he'll put you down

Stay away from Lightning's g-i-r-l

Stay away from Lightning's g-i-r-l

Stay away from Lightning's g-i-r-l

Stay away from Lightning's g-i-r-l
