NANCY):

Strawberries cherries and an angel's kiss in spring

My summer wine is really made from all these things

(LEE):

I walked in town on silver spurs that jingled to

A song that I had only sang to just a few

She saw my silver spurs and said lets pass some time

And I will give to you summer wine

Ohh-oh-oh summer wine

(NANCY):

Strawberries cherries and an angel's kiss in spring

My summer wine is really made from all these things

Take off your silver spurs and help me pass the time

And I will give to you summer wine

Ohhh-oh summer wine

(LEE):

My eyes grew heavy and my lips they could not speak

I tried to get up but I couldn't find my feet

She reassured me with an unfamiliar line

And then she gave to me more summer wine

Ohh-oh-oh summer wine

(NANCY):

Strawberries cherries and an angel's kiss in spring
My summer wine is really made from all these things
Take off your silver spurs and help me pass the time
And I will give to you summer wine
Mmm-mm summer wine

(LEE):

When I woke up the sun was shining in my eyes
My silver spurs were gone my head felt twice its size
She took my silver spurs a dollar and a dime
And left me cravin' for more summer wine
Ohh-oh-oh summer wine

(NANCY):

Strawberries cherries and an angel's kiss in spring
My summer wine is really made from all these things
Take off your silver spurs and help me pass the time
And I will give to you summer wine
Mmm-mm summer wine
