you keep saying you've got something for me.

something you call love, but confess

you've been messin' where you shouldn't have been
messin'

and now someone else is gettin' all your best

these boots were made for walking, and that's just
what they'll do

one of these days these boots are gonna walk all over
you.

you keep lying, when you oughta be truthin'

and you keep loosin' when you oughta not bet

you keep samin' when you oughta be changin'

now what's right is right, but you ain't been right yet

these boots were made for walking, and that's just
what they'll do

one of these days these boots are gonna walk all over
you.

you keep playin' where you shouldn't be playin

and you keep thinkin' you will never get burnt

I just found me a brand new set of magic

and what he know you ain't got time to learn

these boots were made for walking, and that's just
what they'll do

one of these days these boots are gonna walk all over

you.

are you ready boots? start walkin
