Life is changin',

I can't go on, without you

Rearrangin',

I will be strong, I'll stand by you

You were fighting everyday, so I'll hide the pain

I know you never said goodbye, I have so much left to say

One last song given to an angel's son

As soon as you were gone

As soon as you were gone

I have a new life now

She lives through you, what can I do

I feel so alone now,

i'll pray for you, We still love you

You were fighting everyday, so I'll hide the pain

I know you never said goodbye, I have so much left to say

One last song given to an angel's son

As soon as you were gone

As soon as you were gone

One last song given to an angel's son (I can't believe you're gone)

As soon as you were gone

As soon as you were gone
