Chorus

Follow in my wake, you've not that much at stake
For I have plowed the seas, and smoothed the troubled
waters
Come along let's have some fun, the hard work has
been done
We'll barrel roll into the sun, just for starters

Verse

Just for starters, barometer is my soup
I'm descended from a deck hand on a sloop
I travel on the song lines that only dreamers see
Not known for predictability

Chorus

Come and follow in our wake, you've not that much at
stake
For we have plowed the seas, and smoothed the
troubled waters
Come along let's have some fun, seems our work is
done
We'll barrel roll into the sun, just for starters

Verse

Sail the main course in a simple sturdy craft
Keep her well stocked with short stories and long
laughs
Go fast enough to get there, but slow enough to see
Moderation seems to be the key

Bridge

Constantly searching
Oh my eyes have seen some horizons
And I've crossed the ocean
For more than just thrills
No I'm not the first
Won't be the last
You lust for the future
But treasure the past

Chorus

Follow in my wake, you've not that much at stake
For I have plowed the seas, and smoothed the troubled
waters
Come along let's have some fun, the hard work has
been done
We'll barrel roll into the sun, just for starters (x3)
