Boomerang Love

-----

by Jimmy Buffett

Hole in the wind behind the island  
Big blue hole in the middle of my heart  
I can't forget the time we spent together  
I can't remember how long  
How long we've been apart

Chorus:

Be riding on this boomerang love circling fast  
Hard to see in a sky so vast  
Laugh till you cry, cry till you smile  
Up and down all around  
Boomerang, boomerang, boomerang love

Now we both know now we're in different orbits  
Different islands different worlds  
Though we really are the same  
I'm just glad, glad we started talking  
Finally realize no one is to blame

Chorus:

We've been riding on this boomerang love can't let go  
Running fast, moving slow  
What's the right way, who's to say  
Tension and suspension  
On a boomerang, boomerrang love  
Boomerang, boomerang love

Big blue hole out in the ocean  
Where I dive straight down until I can not see  
Feel my way through a bevy of solutions  
There I realize the answer lies with me

Gettin' off this boomerang love, comin' up for air  
Do what's right, do what's fair  
Come what may we'll find a way  
No more tension and suspension  
No more boom boom boomerang love
