Bring Back the Magic

-----

by Jimmy Buffett and Will Jennings

Chorus:

Nothing can tear you apart  
When you keep living straight from the heart  
Though you know that you're going to hurt some  
The magic still comes  
When you keep living straight from the heart  
You will know when to stop and to start  
When you see that no one really wins  
Then the magic begins

Bring back the magic  
Don't make life so tragic  
Bring back the magic  
Don't make life so tragic

Beach combers ride  
Oh children lost in the tide  
Waves melt all castles of sand  
Melt all castles of sand

Bring back the magic  
Don't make life so tragic  
Bring back the magic  
Don't make life so tragic

Red sky at night  
Such a sailor's delight  
Red sky at dawn  
Gypsy song coming on  
Song coming on

Chorus:

Nothing can tear you apart  
When you keep living straight from the heart  
Though you know that you're going to hurt some  
The magic still comes  
When you keep living straight from the heart

You will know when to stop and to start  
When you see that no one really wins  
Then the magic begins

Bring back the magic  
Don't make life so tragic  
Bring back the magic  
Don't make life so tragic
