COME MONDAY

Jimmy Buffett

Transcribed by Randy Goldberg

Heading out to San Francisco  
For the Labor Day weekend show  
I got my Hush Puppies on  
I guess I never was meant for glitter rock and roll

And honey, I didn't know  
That I'd be missing you so  
Come Monday, it'll be all right  
Come Monday, I'll be holding you tight  
I spent four lonely days in a brown L.A. haze  
And I just want you back by my side

Yes, this has been quite a summer  
Rented cars and west-bound trains  
And now, you're off on vacation  
Something you tried to explain

And darlin', yes I love you so  
That's the reason I just let you go  
Come Monday, it'll be all right  
Come Monday, I'll be holding you tight  
I spent four lonely days in a brown L.A. haze  
And I just want you back by my side

I can't help it, honey  
You're that much a part of me now  
Remember that night in Montana  
When we said there'd be no room for doubt?

I hope you're enjoying the scen'ry  
I know that it's pretty up there  
We can go hiking on Tuesday  
With you I'd walk anywhere

California has worn me quite thin  
I just can't wait to see you again  
Come Monday, it'll be all right

Come Monday, I'll be holding you tight  
I spent four lonely days in a brown L.A. haze  
And I just want you back by my side  
I spent four lonely days in a brown L.A. haze  
And I just want you back by my side
