Gravity Storm

by Jimmy Buffett and Jay Oliver

Apple fall out of the tree and hit the ground
Pretty soon we realize we're Earthly bound
Babies fall and babies cry in early years
Mamas dust them off and wipe away their tears

Chorus:

Oh, watch out for that gravity storm
It don't give no warning signs
Oh, watch out for that gravity storm
Oh, oh

All your life you have to deal with ups and downs
So listen to your heartstrings as you move around
Don't forget to listen to that steady beat
Don't forget to balance on your ready feet

Chorus:

Oh, watch out for that gravity storm
It don't give no warning signs
Oh, watch out for that gravity storm
Oh, oh

I will keep you warm
Shelter from the storm
All your life
I will keep you warm
Shelter from the storm
All your life

Apple fall out of the tree and hit the ground
Pretty soon we realize we're Earthly bound
Babies fall and babies cry in early years
Mamas dust them off and wipe away their tears

Chorus:

Oh, watch out for that gravity storm
It don't give no warning signs

Oh, watch out for that gravity storm
Oh, oh

I will keep you warm
Shelter from the storm
All your life
I will keep you warm
Shelter from the storm
All your life

I will keep you warm
Shelter from the storm
All your life
I will keep you warm
Shelter from the storm
All your life

Chorus:
Oh, watch out for that gravity storm
It don't give no warning signs
Oh, watch out for that gravity storm
Oh, oh
