King of Somewhere Hot

by Jimmy Buffett, Ralph MacDonald, William Salter
Robert Greenidge

I've travelled all around this world
And there are places that still stand out to me
But nowhere else can quite compare
To my island in the sea

My personal utopia
A place to run to where I can hide away
Where I can truly reign supreme
Somewhere fresh and clean where a man can dream

Chorus:

I'm king, king of somewhere hot
(Don't cha know)
I'm king, like every man should be
I'm king, king of somewhere hot
(Way to go)
Where the music in my soul makes me start to lose
control
I could melt right on the spot
I'm the king of somewhere hot

You can rent yourself a tile and dance the night away
Just like the locals do
A million miles from Robin Leach life is such a beach
So far out of reach

Chorus:

I'm king, king of somewhere hot
(Don't cha know)
I'm king, like every man should be
I'm king, king of somewhere hot
(Way to go)
Where the music in my soul makes me start to lose
control
I could melt right on the spot
I'm the king of somewhere hot

Someday I hope to find my queen I know she'll come
my way
I'll give her all my love
It's not a complicated thing just a place where I can
swing
Where a man can be a king

Chorus:

I'm king, king of somewhere hot
(Don't cha know)
I'm king, like every man should be
I'm king, king of somewhere hot
(Way to go)
I don't care how hard you look you won't find me in the
book
I could melt right on the spot
I'm the king of somewhere hot
