Drink i t up this one's for you
It's been a love cruise
Sorry it;s ending yah it's sad but it's true
It's been a lovely cruise
These moments were left with
May you always remember
These moments are shared by few

There's wind in our hair
And there's water in my shoes
It's been a lovely cruise

These moments were left with
May you always remember
These moments are shared by few

Those harbor lights
They're coming into view
We'll bid our farewell much too soon

So Drink it up
This one's for you
It's been a lovely cruise

Ah honey it's been a lovely cruise

Ah sugar it's been a lovely cruise
