Margaritaville

by Jimmy Buffett

Nibblin' on sponge cake
Watching the sun bake
All of those tourists covered with oil
Strumming my six-string
On my front porch swing
Smell those shrimp, they're beginning to boil

Wasted away again in Margaritaville
Searching for my lost shaker of salt
Some people claim that there's a woman to blame
But I know
It's nobody's fault

I don't know the reason
I stayed here all season
Nothing to show but this brand new tattoo
But it's a real beauty
A Mexican cutie
How it got here I haven't a clue

Wasted away again in Margaritaville
Searching for my lost shaker of salt
Some people claim that there's a woman to blame
Now I think
Hell, it could be my fault

I blew out my flip-flop
Stepped on a pop-top
Cut my heel had to cruise on back home
But there's booze in the blender
And soon it will render
That frozen concoction that helps me hang on

Wasted away again in Margaritaville
Searching for my lost shaker of salt
Some people claim that there's a woman to blame
But I know

It's my own damned fault

Yes and some people claim that there's a woman to
blame

And I know

It's my own damned fault
