Take Another Road

by Jimmy Buffett, Jay Oliver and Roger Guth

Seen the false horizons fade away like bisons
Headed for the jungle, the cowboy can't endure
Never look back, that's waht he swaore
I'll take my pony to the shore
Somewhere, somewhere

Chorus:

Take another road to a hiding place
Disappear without a trace
Take another road in another time
On another road in another time
Like a novel from the five and dime
Take another road another time

Follow the equator, like that old articulator
Sail upon ocean just like Mr. Twain
Never look back, this is my plan
Run my pony in the sand
Somewhere, somewhere

Chorus:

Take another road to a hiding place
Disappear without a trace
Take another road in another time
On another road in another time
Like a novel from the five and dime
Take another road another time

Leave my cares behind
Take my own seet time
Ocean's on my mind
