VOLCANO

by Jimmy Buffett

(Intro: instrumental CHORUS twice)

CHORUS:

G

I don't know.

D

I don't know.

G C D G

I don't know where I'm a-gonna go when the volcano
blow.

(Repeat CHORUS)

G C G (G D G)

Ground she's moving under me.

G D G (G D G)

Tidal waves out on the sea.

G C G (G D G)

Sulfur smoke up in the sky.

G D G (G D G)

Pretty soon we learn to fly.

(sing CHORUS twice)

My girl quickly say to me,

"Mon, you better watch your feet.

Lava come down soft and hot.

You better love me now or love me not."

(sing CHORUS once)

(instrumental CHORUS twice)

No time to count what I'm worth,

'Cause I just left the planet Earth.

Where I go, I hope there's rum!

Not to worry, mon, soon come.

(sing CHORUS twice)

G C G

But I don't want to land in New York City,

G D G

Don't want to land in Mexico. (NO, NO, NO!)

G C G

Don't want to land in no Three Mile Island,

G D G

Don't want to see my skin aglow. (NO, NO, NO!)

Don't want to land in no Commanche Sky Park,

Or in Nashville, Tennessee. (NO, NO, NO!)

Don't want to land in no San Juan Airport,

Or the Yukon Territory. (NO, NO, NO!)

Don't want land in no San Diego,

Don't want to land in no Buzzard's Bay. (NO, NO, NO!)

Don't want to land on no Ayatollah.

I got nothing more to say.

(sing CHORUS twice)
