Am I there already  
I didn't realise  
Seems I'm still breathing  
That I recognise

I look at myself  
Confronting my fears  
Think of things I've done  
Can I, still cry, my own tears

I see the mirror is over now  
Why can't I know why is there no sound  
Mistakes and regrets, what more can I do  
I'm stuck and alone know now that I'm through...  
Ooowoahhahhhhh  
Ooowoahhahhhhh

There's no escape here  
They have the keys (they have the keys, they have the keys)  
Where is everyone  
I'm about to freeze (I'm about to freeze, I'm about to freeze)  
I breathe out my last  
They wipe it away  
It fogs up the glass  
Why can't I stay

I see the mirror is over now  
Why can't I know why is there no sound  
Mistakes and regrets, what more can I do  
I'm stuck and alone know now that I'm through...  
Ooowoahhahhhhh  
Ooowoahhahhhhh

Scratching and screaming  
Burying me now  
I'll hold on  
But I don't know how  
It's all imagined  
I'm still alive

It's all unseen  
All of these lies

I see the mirror is over now  
Why can't I know why is there no sound  
Mistakes and regrets, what more can I do  
I'm stuck and alone know now that I'm through...  
Ooowoahhahhhhh  
Ooowoahhahhhhh  
Ooowoahhahhhhh  
Ooowoahhahhhhh
