All I want to know
Is when you go
Do you think of me
Cause I could let you go
But there'd be a hole
Where my heart used to be o

[CHORUS:]

It's so easy holding you near
I could melt in your arms and disappear
Loving you baby is breaking my heart tonight
It's so easy but it isn't right o I saw you today
You walked away
And I couldn't breathe
Cause I know how it will feel
It's a love so real
When you're touching me

[CHORUS]

Every night I lay here alone
After you leave me and go home
She doesn't know that we can't let go
And it's hurting me so

[CHORUS] Baby it's so easy.
