There was a man
A lonely man
Who lost his love
Through his indifference
A heart that cared
That went unshared
Until it died
Within his silence
(*) And solitaire's the only game in town
And every road that takes him
Takes him down
And by himself it's easy to pretend
He'll never love again
(**) And keeping to himself
He plays the game
Without her love
It always ends the same
While life goes on around him everywhere
He's playing solitaire
A little hope
Goes up in smoke

Just how it goes

Goes without saying

There was a man

A lonely man

Who would command

The hand he's playing

Repeat (*)

Repeat (**)
