Bitter pills & alcohol sorry if I made a scene
Bitter pills & alcohol couldn't bear to kiss his feet
Everybody's going somewhere
My life's going nowhere moving so so slow

Slate grey days in my white walls nothing to talk about
Slate grey days in my white walls couldn't bear to
hear about
Everybody going somewhere, my life's going
nowhere moving so so slow

I should have stayed safely away, I've shown you up
once again
But please understand, please understand

I'm still getting used to the passenger side &
restlessness twists in the
brain coming on like a train through the signals &
straight through the
gate so please understand, it comes out all wrong, it
isn't me it's the mix
I was on

Bitter pills & alcohol sorry if I made a scene
Bitter pills & alcohol couldn't bear to kiss his feet
Everybody's going somewhere
My life's going nowhere moving so so slow
