"Heart On A String"

Visit "[Heart On A String](#)" on MotoLyrics.com

Taking the thick and the thin
Afraid to complain, no there's no use complaining
You know your hearts on a string
Hiding the feelings away
Scared to offend, dreading the ending
You know your hearts on a string

Try to pretend, try to pretend, you're in control
Try to deny, try to deny, you're under control

Waiting patiently through, the lack of affection
returning the silence
Don't show your hearts on a string
Staying alone in the evening, waiting for fate & hating
the weakness
Don't show your hearts on a string

Try to pretend, try to pretend, you're in control
Try to deny, try to deny, you're under control

Heart on a string taking care not to break it
Heart on a string taking care not to shake it
Heart on a string just a twist it could tear you apart
Heart on a string taking care not to break it
Heart on a string so aware not to shake it
Heart on a string just a twist it could tear it apart

You won't complain
You won't complain
You won't complain

You'll take, you'll take the thick and the thin
You'll take, you'll take the thick and the thin
its only a twist, only a twist and its gone
only a twist, only a twist, only a twist, only a twist and
you're gone

Heart on a string so aware not to break it
Heart on a string so aware not to shake it
Heart on a string just a twist it could tear you apart

Heart on a string taking care not to break it

Heart on a string so aware not to shake it
Heart on a string just a twist it could tear you apart
just a twist it could tear it apart rptÂ.....
