Clearly there's no faith in me
This one's for recovery
Sleeping while you took control
Time to reclaim what you stole

Sound like an ocean rolling to you

Wintertime, now I'm in bloom
This black blossom meant for you
From this seed of misery
Falling for recovery
Sound like an ocean rolling to you
Sound like an ocean rolling to you

Waves of words and waves of sounds
Flooding through your holy ground
From this sea of misery
Seeking out your company

Sound like an ocean rolling to you rpt...
