You're standing on your own,
Waiting for the groom,
I'll sit and watch from here,
As he leaves the room.

I'll watch as the new girl needs a friend,
I'll always be here for all of them.

[Chorus]
I'm always here to hold your hand,
I'll always catch you when you fall,
But it's okay,
Another day.

I'll make you right when you feel wrong,
I'll bore you with another song,
But it's okay
Another day,
We'll find out.

I'll stick to what I know,
Hoping you are too.
And it's time to let you go,
And my life with you.
I'll watch as the sky turns,
Deeply bruised.
Ocala can you hear me,
Calling you?

Ohh

[Chorus]

And it's okay
Another day,

Ohh, you're so beautiful.
You're so wonderful,
You're so beautiful,

It's all okay just please be strong,
Just hold my hand you can't go wrong,

And it's okay,
Another day,
We'll find out.
