I live to, I live to

Wasting the day away
Waiting for my own forgiveness
But nothing will come of this
'Cause it's something I can't give myself

I know, I know
That I'm not perfect but I promise
You're asking so much that
Perfect but I promise you this

Forever inside of me is a song
My heart will never sing
'Cause with it in harmony is my past
Always reminding me

I know, I know
That I'm not perfect but I promise
You're asking so much that
Perfect but I promise you this

I would sacrifice
All my dreams and my loves for eternal life
God, I swear that's enough
I live to, I live to die

Now I know that's all I need
Remember that you promised me
As the story reads when perfect sorrow bleeds
And pours all over me so much that I can't see

I would sacrifice
All my dreams and my loves for eternal life
God, I swear that's enough
I live to, I live to die
