

## Since October "Overthink"

This overwhelming thought has gotten inflamed and  
red

Like a festering sore inside my guilt-ridden head  
Leave the lights on now and we'll just talk a while  
I want to be the only one that can make you smile

I don't know what's going on I can't feel my hands  
I don't know what is wrong maybe you'd understand  
Well I don't know what's going on I just start to sink  
When I overthink

Jealously lashes out and it's so predictable  
Sometimes the more you push is the harder I pull  
I'm so tired of the lies I'm so sick of sympathy  
You can't let it go or maybe it's just me

I don't know what's going on and I don't think I care  
I don't know what is wrong maybe you'd understand  
Well I don't know what's going on I just start to sink  
When I overthink

Breathe out of this hole  
Oh I've lost control  
When I fear is in time  
Would you forget the fucking lines?

Free

Now that my hand's clean it's really hitting me hard  
Smile show me teeth behind that false facade  
Can you feel the pain or are you numb again?  
Please let me indulge in some of your ignorance

I don't know what's going on I don't think I care  
I don't know what is wrong maybe you'd understand  
Well I don't know what's going on I just start to sink  
When I overthink

Breathe out of this hole  
Oh I've lost control  
When I fear is in time

Would you forget the fucking lines?
