I am the sun  
and the air  
of a shyness that is criminally vulgar  
I am the sun and the air  
of nothing in particular

You shut your mouth  
how can you say  
I go about things the wrong way  
I am human and I need to be loved  
just like everybody else does

I am the sun  
and the air  
of a shyness that is criminally vulgar  
I am the sun and the air  
of nothing in particular

You shut your mouth  
how can you say  
I go about things the wrong way  
I am human and I need to be loved  
just like everybody else does

There's a club if you'd like to go  
You could meet someone, who really loves you  
So you go, and you stand on your own  
And you leave on your own  
And you go home, and you cry  
And you want to die

When you say its gonna happen now  
When exactly do you mean?  
See I ve already waited too long  
And all my hope is gone.
