Giles

I've got a theory  
That it's a demon  
A dancing demon  
No, something isn't right there

Willow

I've got a theory  
Some kid is dreaming  
And we're all stuck inside  
His wacky broadway nightmare

Xander

I've got a theory we should work this out  
Anya, Giles, Tara, Willow, Xander  
It's getting eerie what's this cheery singing all about?

Xander

It could be witches  
Some evil witches  
Which is ridiculous  
'Cause witches they persecuted  
Wicca good and love the earth  
And women power and I'll be over here

Anya

I've got a theory  
It could be bunnies  
Sound effects

Tara

They got them hoppy legs and twitchy little noses  
And what's with all the carrots?  
What do they need such good eyesight for anyway?  
Bunnies, bunnies, it must be bunnies

(pause) Or maybe midgets  
Willow  
I've got a theory we should work this fast  
Giles, Willow  
Because it clearly could get serious before it's passed

Buffy  
I've got a theory  
It doesn't matter

What can't we face if we're together?  
What's in this place that we can't weather?  
Apocalypse - we've all been there  
The same old trips - why should we care?

Anya, Buffy, Giles, Tara, Willow, Xander  
What can't we do if we get in it?  
We'll work it through within a minute  
We have to try  
We'll pay the price  
It's do or die  
Buffy  
Hey I've
