Today is the last day of your fuckin' life
That day
I felt the hate rise up in my mind
And I don't wanna waste my time
I'm not wasting

Today I see the fear coming inside your eyes
Always,
I kill everyone that is by my side
But now I'm feeling so damn right
Now I'm feeling

Now I'm tired, sitting in my room
Looking at all The parts of 'you'
I am stuck and I can't choose
About win or fuckin' lose

Now I'm tired in my room
With a piece of doom
With a piece of doom
With all the pieces

Today is the last day of your fuckin' life
Always,
I kill everyone that is by my side
But now I'm feeling so damn right
Now I'm feeling

Now I'm tired, sitting in my room
Looking at all The parts of 'you'
I am stuck and I can't choose
About win or fuckin' lose

Now I'm tired in my room
With a piece of doom
With a piece of doom
With all the pieces

Now I'm tired in my room
Looking at all The parts of 'you'
I am stuck and I can't choose

About win or fuckin' lose

Now I'm tired in my room
With a piece of doom
With a piece of doom
With all the pieces
