Whoa, don't it feel so familiar
When the lights go down in here
Down in here
Oho, oho, déjà vu,
Oho, oho, déjà vu,
Oho, oho, déjà vu,
Oho, oho

Feels like I've been here before
When I walk through the door
I feel the things go boom
Stay (?) like Will Smith,
Be a déjà vu, when I killed it
I'm like hold up wait, can you feel it, can you feel it?
No Flo Rida, but got a feeling, I'ma kill it
Why not you take off the ceiling?
Or the floor breaks
Give me room, give me room, give me more space
Give me more puff things with a cute face
Give me more fling say more (?)
If they ain't down I stand my stand
Put your hands up high till your arms end

Whoa, don't it feel so familiar
When the lights go down in here
Down in here
Oho, oho, déjà vu,
Oho, oho, déjà vu,
Oho, oho, déjà vu,
Oho, oho

Feels like I've been for nights
With the rave, non stop, and those flashing lights
We don't want this to end, touch speed it up
We'll be doing that again, doing that again,
Doing that again like uuuh,
Came back and attacked the game
I got rid of the bad luck like oh not you
But I can't stop and I won't stop
So I'm bad like déjà vu
I do it for the crowd and the show is going high

When the DJ plays my tune
Put your hands up, don't put them down
Going down right now, that's how we do

Whoa, don't it feel so familiar
When the lights go down in here
Down in here
Oho, oho, dÃ©jÃ vu,
Oho, oho, dÃ©jÃ vu,
Oho, oho, dÃ©jÃ vu,
Oho, oho
[repeat]
