I see girls here there and everywhere  
short skirts long hair love it when they walk yeah  
im on cloud 9 you look so fine cant wait to make you  
mine  
i kinda like the way you walk past, gotta take a glance  
body shaped like an hourglass, pulling up to my bump  
so hot,  
you work so hard like the way you work, i look first you  
look back,  
attracted to the way that you shake that, yo but I know  
you cant fake that, so bring it over here so near i can  
touch that,  
one night just isnt enough i wanna have you givin it up  
so put your number on the back of my hand you got a  
man but i got other plans,  
so baby girl give me love uh
