I see girls....

I see girls,  
here there and everywhere  
short skirts long hair  
love it when they walk yeah  
I'm on cloud 9  
you look so fine  
can't wait to make you mine  
I kinda like the way you walk past  
gotta take a glance  
body shaped like an hour glass  
pulling up to my bumper so hot  
you work so hard like the way you work it  
I look first, you look back,  
attracted to the way you shake that,  
yo, I know you can't fake that,  
so bring it over here, so near, I can touch that,  
one night just isn't enough,  
I wanna have you givin' it up,  
So put ya number on the back of my hand,  
you got a man, but i got other plans,  
so baby girl, c'mon up oh..

[Chorus]

Ohhhh...  
yknow i see you girl  
you know i want you girl  
cuz your driving me crazy  
Ohhhh...  
yknow i see you girl  
you know i want you girl  
cuz your driving me crazy

Driving me crazy...

I see girls,  
here there and everywhere  
short skirts long hair  
love it when they walk yeah  
I'm on cloud 9

you look so fine  
can't wait to make you mine  
I kinda like the way you walk past  
gotta take a glance  
body shaped like an hour glass  
pulling up to my bumper so hot  
you work so hard like the way you work it
